District Board policy E240 delegates the authority to initiate a contract to the President, with the proviso that the contract is subject to retroactive approval by the Board. A report of fiscal year 2023 contracts pending Board approval is attached as Board Exhibit 3.

This report includes not only the in-district contracts but also the out-of-district and the out-of-state contracts. State Board Contract for Service Policy requires that the District Board receive a report at least quarterly on contracts entered into for which less than full cost is being charged. We have elected to provide the Board with this report on a monthly basis. This report uses a state formula in which the state annually calculates a percentage for indirect expenses (33.66% for on-campus and 27.75% for off-campus) such as administration, facilities, utilities, information systems, registration, counselors, insurance, etc., associated with a contract to determine full costs. The hourly rate of \$167.00 per hour along with the ability to project price was recommended by the department and approved by the Board. DBA Committee Descriptions

Board of Directors

Each district board is asked to designate one trustee to represent the college on the DBA Board of Directors. The Board meets at the four Association quarterly meetings (hybrid- virtual or in-person) and for one Annual Planning Meeting, usually held in late August in Madison. The Board sets policy for the Association, has final approval of all bylaws, policy and procedures manual changes, determines the annual Association budget, approves compensation for staff, and is the governing and oversight board for the Executive Director.

Board of Directors Delegate Commitment: It is important that we have full representation from all colleges at the board meetings. Board of Directors Delegates are asked to attend all Association Board Meetings either in-person or virtually. If a delegate is unable to attend a meeting, they should identify a proxy delegate for that meeting and notify the DBA.

External Partnerships Committee

This committee meets during quarterly meetings (hybrid—virtual or in-person) and works to explore innovative partnerships, external challenges, and emerging opportunities for collaboration, while building understanding and strengthening relationships between trustees and local, state, and national leaders. In collaboration with the host college, the committee meets with strategic partners that include but are not limited to:

- K-12 leaders
- Employer-partners
- Chamber officials
- County board members
- Presidents Association
- Higher education leaders
- Association of Community College Trustees
- Community and Faith-Based Organizations
- Other stakeholders and partners

Led by two trustee co-chairs with support from staff, this committee also generates programming input for Association staff to develop for in-service sessions.

Each district board is asked to appoint one to four trustees to serve on the External Partnerships Committee.

Internal Best Practices Committee

This committee meets during quarterly meetings (hybrid—virtual or in-person) to share and discuss best practices internal to the technical college system on topics of interest to the members. Past topics appropriate for this committee include:

- Board and Association best practices around new member orientation;
- “Boardmanship,” or how to be effective at the board table, legal and ethical parameters, and other skillsets for trustees;
- Human resources and employee compensation best practices;
- Student services best practices (mental health, veterans services);
- Instructional services best practices (career pathways, credit for prior learning, Promise programs); and
- Other emerging trends and topics

Led by the co-chairs, the Internal Best Practices Committee also generates programming input, suggesting topics for Association staff to develop for in-service sessions.

Each district board is asked to appoint one to four members to serve as part of the Internal Best Practices Committee.

Bylaws, Policies and Procedures Committee

The Bylaws, Policies and Procedures Committee, as set forth in Article IX of the Bylaws, reviews the Association's Bylaws, Policies and Procedures Manual and recommends changes to the Board of Directors where appropriate.

The Committee has additional specific assignments:

- At the Board of Directors' request, develop a select list of major issues on which the Board of Directors may request member consideration.
- At the request of the Board of Directors, committee chair, or an individual member district board of the Association, review a proposed resolution or proposed change in the bylaws, policies or procedures for the purpose of recommending whether the proposed language will accomplish the desired effect, and/or whether the proposed change would require amendment of any other portion of the corporate bylaws, policies, or procedures.

Awards Committee

The Awards Committee has responsibility for rating and identifying:

- Board Member of the Year;
- Technical Education Champion (TECh) Award recipients;
- Media Award recipients;
- Distinguished Alumni of the Year.

This committee conducts their work over e-mail/electronically, outside of the quarterly meetings. Each district board is asked to select one trustee to serve on the committee who will review and rate nominations for the Association awards program on behalf of their college.

The Committee determines, selects the recipients of, and delivers the Association's annual awards via the following process:

Association staff announce the nomination period for each award. At the end of the nomination period, the Association provides the Awards Committee with a slate of nominees eligible for the award, and with corresponding nomination materials. The Awards Committee selects award recipients by rating colleges' nominees against a set rubric of criteria for each award. Association staff then tabulate the scores and announce the winner. Whenever possible, awards are presented at the next quarterly meeting of the Association.

Awards Committee Commitment: The DBA requests ratings from each college for awards. Awards Committee members read nominations for each award (one award each quarter) and submit a rating for each nomination. Members have about two weeks to complete this activity. During the rating process, members read or view 8-10 nominations for an award and rate each award on 4 or 5 rating criteria. Members are allowed to split this responsibility with another board member.
