At Northeast Wisconsin Technical College, we recognize our Green Bay campus is located on the ancestral and present-day lands of Indigenous people. The following land acknowledgment affirms our continual commitment to Native nations:

The region served by Northeast Wisconsin Technical College occupies the ancestral home of the Menominee Nation, who have persisted here in Northeast Wisconsin from before recorded history to the present day. The College's Green Bay campus exists upon lands ceded from the Menominee Tribe to the Oneida Nation. We acknowledge this land we stand upon today as sacred, historical, and significant to the Menominee and Oneida Nations, as are the lands of all First Nations People.

- **"occupies"** demonstrates an acknowledgment of stewardship rather than ownership that is important to Native people
- **"persisted"** acknowledges the struggle and resilience of the Menominee people to continue to exist in the only place they have ever called home as described in "from before recorded history"
- **honors the transfer** of stewardship between tribes, rather than highlighting the removal of tribe
- this is a statement meant **to be inclusive to all of Wisconsin's many tribes** that at one time called our district home

Copper Box

Commencement Speaker

Sue Lor, NWTC's 2023 District Ambassador, represents NWTC locally and advocates for technical education at the state level. As part of this honor, Sue participates in the Wisconsin Technical College System (WTCS) District Ambassador program.

The program selects one student from each of the state's 16 technical college districts to act as an advocate for vocational and technical education. Ambassadors serve a one-year term and are called upon to make special appearances, give presentations, and participate in various events on behalf of their respective colleges and the WTCS.

Sue is currently pursuing her second NWTC associate degree. A 2017 Criminal Justice program graduate, she is now in the Design and Graphic Technology program, on track to graduate in 2024. In addition, Sue works in the NWTC Welcome Center.

NWTC 2023 District Ambassador

Veteran and Service Member Recognition

Since World War I, challenge coins have been used to honor, encourage, and reward individuals for their personal and professional accomplishments. A symbol of strength and commitment, these coins are given to NWTC graduates who have served. The College appreciates the service and sacrifices these students provided while serving our country and their dedication to continuing their education. NWTC recognizes these students as an important part of the campus community and therefore awards them a special challenge coin. Graduates wearing the red, white, and blue cords are students who are military veterans or are currently serving in the Armed Forces.

Global Designations

Northeast Wisconsin Technical College is committed to expanding the world view and global perspectives of students by providing opportunities to interact with international students and to understand various cultures from around the world. The stoles you see with a flag motif either represent the home country of those international students who have studied at the College or the country students studied in while participating in an NWTC-sponsored study abroad trip or in an international service learning opportunity during their time at NWTC.

Cultural Regalia

Northeast Wisconsin Technical College champions all students to proudly celebrate their identity and cultural heritage. It is NWTC's sincere hope that our graduates are proud of their journey and who they have become since enrolling at our college. In addition to, or in lieu of, wearing traditional graduation regalia, graduates are encouraged to consider including cultural, religious, and/or ceremonial attire appropriate to the significance of the occasion. Examples include, but are not limited to, military dress uniforms, cultural beadwork and embroidery, decorated caps representing heritage, and identity-based stoles or cords.

Phi Theta Kappa

International Honor Society of the Two-Year College

Phi Theta Kappa's mission is two-fold: 1) recognize and encourage the academic achievement of two-year college students and 2) provide opportunities for individual growth and development through participation in honors, leadership, service, and fellowship programming.

The golden Honors Stole has been worn by Phi Theta Kappa graduates for more than 25 years. The Honors Stole is made of gold satin and finished with a blue Greek letter monogram.

Phi Theta Kappa (3.50 - 4.00 GPA) {gold stole}

Honors Notation

** Highest Honors (3.75 - 4.00 GPA) {gold honor cord}

* Honors (3.50 - 3.74 GPA) {teal honor cord}

Associate degrees, technical diplomas, and certificates requiring more than 15 or more credits are eligible to receive honor notation.

DECEMBER 2023 COMMENCEMENT GRADUATE CANDIDATES

Graduates listed in this booklet are prospective graduates from the Green Bay, Marinette, and Sturgeon Bay Campuses of Northeast Wisconsin Technical College.
